Chris, perhaps have a chat to Kuda/Zebron as they are managing the TBs/bank account and making regular transfers. I have also signed, but couldn't tell you what for.

Subject: Landela payments

Ronelle, please see attached payments that were made from Landela's account.

I was surprised to see that you signed for these, as you indicated that you had not made any payments from the account.

We need to find a way to ensure that my payments are also made provision for in future. Happy to discuss what works for you. Also, 2 signatories are required for any payments to be made.

If you can please assist with paying M&S urgently -

**Thanks
Christopher**
