Chris;

I didn't sign these...

You will see that the signature page is page2. Perhaps the ZIM team used some of the ones I signed last time I was in ZIM for the transfers for the treasury bills that Kuda asked to sell.

I was in Cpt last week – the documents I signed was on the 10th of July 2019 these ones are dated the 22nd and 23rd.

Please let me know if you require more information.
