Dear Mr. Samir

Please let me know when I can call you.

- 1) Could you please advise what entity is controlling the cargo and who is able to (has the rights) to take it now out of the port.
- 2) if it possible to have pictures of the cargo in the warehouse?
- 3) Pls confirm the receipt of the draft letter sent yesterday and if it is possible to have such letter from a port official authorities or port agents.

Looking forward to your feedback. Thanks

rgds
Curtis
