Dear Managing Director

RE: FAIRFAX WHARF RE-DEVELOPMENT

Please find attached copy of letter from CSG International to myself dated 3 May 2021, the contents of which are self-explanatory.

It is the intention of the National Government to develop this prime land and monetise its value in the interests of our country, as soon as possible.

I suggest that Kumul Consolidated Holdings enter into discussions with CSG in relation to the proposal by CSG.

Yours sincerely

Hon. William Duma, LLB, LLM, CMG, MP
Minister for State Enterprises
