SERBIA

Dear Ms. Katarina ,

This June, "Omac" Otherways Management Association Club-Paris will be celebrating:

"The New Era Award For Technology , Innovation & Quality "

This International Award has been created in Europe to reward firms from all over the world which have distinguished themselves in the field of Quality & Excellence.

The selection committee of the above mentioned award has decided to grant:

"CIVIL AVIATION DIRECTORATE OF SERBIA"

this prestigious award that supports your business identity in future promotional and marketing actions.

The Prize Giving Ceremony will take place on the **23rd of June 2014** in Rome, Italy after a Cocktail Reception and a Gala Dinner celebration at the **Rome Cavalieri Hotel "A Waldorf Astoria Collection"** one of the most prestigious and spectacular hotels in Europe with an art collection that outshines many museums.

Businessmen from different sectors coming from more than 40 Countries will attend this Prestigious Ceremony as well as the Consular and Diplomatic Corps of your Country who will witness these memorable moments of your company.

There will also be a working session for the purpose of making a public presentation of the companies or their countries in order to promote mutual knowldge and commercial relationships between all of the attending businessmen.

This prize will nurture your company greater fame and serves as recognition of success and symbol of triumph.

Dear Ms. Katarina, to confirm your attendance at the ceremony at your earliest convenience, please send the Registration Form by fax to our overseas offices at: 00961-1-583637/575500

SERBIA

Dear Ms. Katarina,

This June, "OMAC" Otherways Management Association Club - Paris will be celebrating:

"The Golden Award For Quality And Business Prestige"

This International award has been created in Europe to reward firms from all over the world which have distinguished themselves in the field of Quality & Excellence.

The selection committee of the above mentioned award has decided to grant:

"CIVIL AVIATION DIRECTORATE OF SERBIA"

this Prestigious Award that supports your business identity in future promotional and marketing actions.

The Prize Giving Ceremony will take place on the 24th of June 2013 in Rome, Italy after a Cocktail Reception and a Gala Dinner celebration at the **Rome Cavalieri, Waldorf Astoria Hotels & Resorts** one of the most prestigious and spectacular hotels in Europe with an art collection that outshines many museums.

Businessmen from different sectors coming from more than 40 countries will attend this Prestigious Ceremony as well as the Consular and Diplomatic Corps of your country who will witness these memorable moments of your company.

There will also be a working session for the purpose of making a public presentation of the Companies or their Countries in order to promote mutual knowledge and commercial relationships between all of the attending businessmen.

Alongside the Prizegiving Ceremony, the **2013 Green Economy Forum** will take place during the same date and place. This Forum will unite governmental institutions, environmental agencies and green companies. You will have the chance to learn the best practices and success strategies from the top sustainable business leaders from around the globe.

This prize will nurture your company greater fame and serves as recognition of success and symbol of triumph.

Dear Ms. Katarina, to confirm your attendance at the ceremony at your earliest convenience, please send the Registration Form by fax to our offshore office at: 00961-1-583637/575500

OTHERWAYS MANAGEMENT ASSOCIATION CLUB: "OMAC"

Otherways Management Association Club is founded as a part of Otherways Int'l Research and Consultants business stimulation and promotion program. Its aim is to forge links between companies, which have been awarded prizes, thus establishing a community of relations, therefore each year offering new business opportunity to the various meetings arranged jointly by Otherways Int'l Research and Consultants and ASSOCIATION OTHERWAYS MANAGEMENT & CONSULTING - FRANCE.

The members who come from more than 50 countries will represent all manufacturing and service sectors. Membership is open to all those companies that have received an award from Otherways Int'l Research and Consultants.

Otherways Management Association Club is currently preparing a web page on the internet with a description of the products and services of all member companies. The site will be available for consultation for thousands of companies interested in contacting the selected companies, which have recognized prestige worldwide and thereby multiply business possibilities for all the Club's members.

Otherways Management & Consulting Association aims to put in hands the necessary information for enterprises worldwide in order to promote their Management Systems, Communication and Development. It focuses particularly on the following themes:

The Quality Management, the database Development, Management by Objective and by Project, the Action and Control, the Planning, the Marketing, Information Systems and Staff Management. It has equally a goal to defend and coordinate the interests of its members, as well as to facilitate the relations and experience exchange.

The Ceremonies Held On The Occasion Of The Award Presentation Offer An Incomparable Opportunity For All The Associates To Establish Commercial And Professional Contacts. They Have The Chance Of Presenting Their Products In An International Forum, Counting On Businessmen Coming From The Five Continents.

The companies that win the awards make their firms known in a multisector forum. They exchange experiences, make new commercial and professional contacts and find out about innovations, new technologies and markets. The award is thus a communication tool serving the interests of the companies on display and a testimony of their efforts to achieve constant improvements in technological development, quality and their continuous struggle to improve their brand name.

• Selection Criteria

Based on information, polls and voting.

The New Era Award For Technology, Innovation & Quality

Is presented to each company as an entity, for corporate achievement, to recognize Prestige, Innovation, Quality Commitment and Excellence.

For this purpose, a voting process is carried out by mail, Internet (Macro Poll) or within awarded companies, based on one or several of the following concepts:

Customer Satisfaction, Leadership, Continuing Education and training, Business Results, ISO 9001 - 14001 - 22000 TQM and TQCS, Total Quality Management and Total Quality Customer Satisfaction Standards.

In addition to the voting process, ASSOCIATION OTHERWAYS MANAGEMENT & CONSULTING - FRANCE gather information through consultation of the media (press, radio and television), consultancy companies, Advertising Agencies, Trade Fairs and Exhibits, Chambers of Commerce, Embassies, Polls, including the on-line macro poll, which is analyzed by

The New Era Award For Technology, Innovation & Quality: Selection Committee, which makes the final decision to select the annual awardees.
